AN INVITATION TO ANPA'S 34TH ANNUAL MEETING!

Dear Colleagues,

The American Neuropsychiatric Association (ANPA) invites you to attend our 34th Annual Meeting, which will be held March 6-9, 2024 in the lively and multicultural city of Houston.

We welcome your partnership to help maintain and foster the growing field of neuropsychiatry by supporting ANPA's Annual Meeting. ANPA is the premier national professional association comprising more than 500 clinicians, scientists, and educators in behavioral neurology & neuropsychiatry, neuropsychology, and related clinical and academic disciplines in the clinical neurosciences. ANPA's mission is to improve the lives of people with disorders at the interface of psychiatry and neurology which it seeks to achieve by transforming recognition, understanding and treatment of all neuropsychiatric disorders.

Toward these ends, the ANPA Annual Meeting features internationally renowned clinician-scientists and clinician-educators offering presentations on the latest advances in the science of cognition, emotion, and behavior and the application of those advances to clinical practice, training, and certification. Our Annual Meeting presents an excellent and unparalleled professional development opportunity for meeting participants as well as for external stakeholders seeking opportunities to engage them. Additionally, more than 140 clinician-scientists will present abstracts describing new observations from the study and care of persons with neurodevelopmental disorders, acquired neurological conditions, neurodegenerative disorders, and psychiatric disorders as well as their pharmacologic, neuromodulation, and psychosocial treatments. The findings presented by these clinician-scientists will be published in the *Journal of Neuropsychiatry and Clinical Neurosciences*, ANPA's official journal.

This conference presents an exceptional opportunity to promote your organization to this highly specialized and influential group of neuroscience clinicians, scientists, and educators. Exhibitors and sponsors will enjoy direct access to the key opinion leaders and influencers shaping the future of neuropsychiatric research, treatment, and education.

With its wide array of attractions, activities, and personality-infused neighborhoods, Houston appeals to visitors of all ages. Against this backdrop, our conference will be an outstanding forum for education, scientific exchange, networking, and relationship-building with like-minded colleagues from around the world.

We invite you to join ANPA in Houston as a sponsor, supporter, and/or exhibitor and we welcome proposals for for Satellite Symposia and Industry Breakthrough Research Sessions. A description of these opportunities is offered here for your consideration. We also are open to proposals of other engagement opportunities not listed herein.

We look forward to seeing you in Houston!

David B. Arciniegas, MD, FANPA, President
Colin Harrington, MD, FANPA, President Elect
Kaloyan Tanev, MD, FANPA, Immediate Past President
Margo D. Lauterbach, MD, FANPA, Treasurer
Jeremiah Scharf, MD, PhD, Program Committee Chair

CONFERENCE OVERVIEW

The American Neuropsychiatric Association (ANPA) will hold its Annual Meeting over the dates of March 6-9, 2024, in Houston, Texas.

Now in its 34th year, the ANPA Annual Meeting is the premier event for behavioral neurology and neuropsychiatry subspecialists and professionals in related clinical neuroscience disciplines.

Exhibitors will enjoy exclusive access to the world's leading academic and clinical researchers who are shaping the field of neuropsychiatry. An internationally recognized faculty will present on a broad range of topics relating to the development of effective treatment interventions and improving the lives of people with psychiatric and neurologic disorders.

In addition to the myriad of invited talks from luminaries in the field, participants will have opportunity to present their work through the "Call for Abstracts" peer-review process. Accepted abstracts will be published in the *Journal of Neuropsychiatry and Clinical Neurosciences* and presented as oral sessions, panels and scientific posters.

We hope you will be a part of this unique educational event!

EXHIBIT INFORMATION

Your presence at the ANPA Annual Meeting ensures direct access to **key decision makers** and leaders in the neuropsychiatry community. Each exhibit space includes:

- A 6' long skirted table with, identification sign, and two chairs.
- One full complimentary registration to the conference for each exhibitor with attendance at all conference sessions and functions.
- All breaks, food functions and receptions in the Exhibit Hall.
- Special reception with exhibitors in the Exhibit Hall on Thursday night.

The standard exhibit fee is only \$2,500 which includes one registration.

An Exhibitor's Kit will be sent after booth rental application is received. **Please note:** Available space goes quickly and exhibits will be assigned on a first-come, first-served basis!

Space is limited!

Avoid the wait-list and reserve your space today for the 2024 ANPA Annual Meeting!

ATTENDEE PROFILE

Over 300 subspecialists in behavioral neurology & neuropsychiatry and related clinical neuroscience disciplines, including:

- Behavioral Neurology & Neuropsychiatry Subspecialists
- Psychiatrists
- Neurologists
- Geriatric Psychiatrists
- Geriatric Neurologists
- Child & Adolescent Psychiatrists
- Child Neurologists
- Forensic Psychiatrists and Neuroethicists
- Clinical & Research Electroencephalographers
- Clinical and Research CT, MRI, SPECT, and PET Imagers
- ECT, TMS, tDCS, and DBS Providers
- Infusion Center Specialists
- Neuropsychologists
- Cognitive Neuroscientists
- Biostatisticians and Epidemiologists
- Clinical Trialists
- Academicians
- Private Practitioners
- Veteran and Military Healthcare Providers
- Community Health Providers
- Hospital-based Providers
- Outpatient Clinic-based Providers
- Training Directors
- Healthcare System Administrators
- Industry-based Physicians and Scientists

EDUCATIONAL FOCUS

An internationally recognized faculty will present on a broad range of topics relating to the development of effective treatment interventions and restoring persons with neuropsychiatric conditions to optimal levels of functioning.

The conference will focus on the latest scientific and clinical advances in the areas of behavioral neurology & neuropsychiatry, and related clinical neuroscience disciplines. Emphasis will be placed on a multidisciplinary approach in the management of patients with neuropsychiatric conditions.

Programmatic information and details on the educational objectives, faculty list and presentation topics are available on the ANPA website, www.anpaonline.org.

JW MARRIOTT HOUSTON

The ANPA Annual Meeting will take place at the completely renovated JW Marriott Hotel located in Houston, Texas.

The hotel is conveniently situated in the heart of uptown Houston, the fourth largest city in the United States, within easy distance of world-class shopping, entertainment options and cultural activities.

Second only to New York in the number of restaurants per capita, visitors to Houston can choose from counter-service taquerias and barbeque joints to James Beard Award winning restaurants – Houston has something for everyone!

ANPA has negotiated a special discounted rate of only \$209 per night for this exceptional hotel. To reserve your room, visit the conference website to book on-line, www.anpaonline.org.

NETWORKING INFORMATION

ANPA will host multiple networking opportunities across a variety of venues throughout the entire Annual Meeting. Attendees can participate in symposia and workshops, where experts discuss cutting-edge research and treatments. These sessions often include Q&A sessions and panel discussions, providing a platform for interactive learning and networking.

Poster presentations allow for researchers at all levels to showcase their work. This informal setting allows for one-on-one discussions with authors, facilitating in-depth conversations and potential collaborations.

More social events include the annual “Neuropsychiatry Bazaar” and other smaller social gatherings organized by the ANPA Special Interest Groups (“SIGs”). Collaborations often emerge, enhancing research opportunities and advancing medical science. Connecting with peers at these events boosts career growth, opens doors, allows for mentorship, and enhances collegiality.

And companies and organizations exhibit their latest medical technologies, products, and services at the Exhibit Hall where industry professionals can explore potential partnerships through this natural networking space.

*For the latest information, visit:
www.anpaonline.org*

SUPPORT MATRIX

The ANPA Annual Meeting is the premier event for behavioral neurology & neuropsychiatry subspecialists and professionals in related clinical neuroscience disciplines. Make a lasting impression with this highly dedicated group of clinicians, scientists, and educators by becoming an ANPA Annual Meeting supporter.

<ul style="list-style-type: none"> • Clinical Neuroscience Trainee Award, or • Young Investigator Award, or • Gary J. Tucker MD Lifetime Achievement Award 				

Gary J Tucker MD Lifetime Achievement Award

The Gary J Tucker MD Lifetime Achievement Award in Neuropsychiatry is the highest honor bestowed by ANPA. It is presented to an individual demonstrating sustained commitment and service to ANPA, academic leadership and scholarship in neuropsychiatry, and commitment to and mentoring of others in the field.

Young Investigator Award

The Young Investigator Award recognizes trainees in behavioral neurology & neuropsychiatry or neuropsychiatry whose abstract submission to the ANPA annual meeting is meritorious and demonstrates that trainee's ability to contribute to the field with the encouragement and support provided by the award.

Clinical Neuroscience Trainee Award

The Clinical Neuroscience Trainee Award facilitates early involvement in ANPA by highly motivated and meritorious trainees seeking careers in the field.

QUESTIONS?

CONTACT OUR OFFICE WITH ANY QUESTIONS YOU MAY HAVE ON THE OPPORTUNITIES LISTED ABOVE!

anpaoffice@gmail.com 703 960-6500

SATELLITE SYMPOSIA

Innovations in medical practice occur during and after planning of the scientific sessions for the ANPA Annual Meeting. Such innovations may be communicated to medical practitioners through satellite symposia.

Eligibility: Organizations wishing to hold a satellite symposium during ANPA's Annual Meeting are required to submit the ANPA Satellite Symposium Application Form contained in this prospectus **and to obtain approval from ANPA.**

Upon the approval of ANPA, the organizer may compose its own branded session during designated 60-90 minute time slots. These satellite symposia will be promoted on all official ANPA signage, web-based materials, and in ANPA communications with meeting attendees.

ANPA will assign room space within the meeting hotel for use by satellite organizers. Due to space limitations, it is likely that satellite symposia will take place in the same rooms as ANPA's general sessions. Therefore, each satellite symposium organizer will need to coordinate their event closely with the ANPA administrative office.

Promotion/Marketing: The satellite symposium is encouraged to promote and market their symposium to generate attendance. Approved satellites will be listed and included in the schedule of events on the ANPA website and related meeting materials on-site signage. Organizers may also provide a one-page promotional flyer (at organizer's expense) for inclusion in the registration materials provided to meeting participants at the time of their check-in to the meeting. Organizers may display two independent easel-mounted promotional signs during the annual meeting.

The satellite symposium organizer may provide food and beverages for attendees at that organizer's expense. Please note that ANPA will not provide any food and beverage service during designated satellite symposium times.

The sponsoring organization must:

- fulfill organizational and financial obligations in advance of the meeting,
- hold ANPA harmless from any and all claims that may result from the satellite symposium session,
- provide high-quality scientific information for healthcare providers attending the satellite symposium,
- complete and return the ANPA Satellite Symposium Application Form included in this prospectus, and
- include the qualifying statement contained on the ANPA Satellite Symposium Application Form in all promotional material for the satellite symposium.

The application contained in this prospectus must be completed and submitted to ANPA for review by its Program Committee and Executive Committee. Notification on submitted proposals will be provided within two weeks of submission by the proposed satellite symposium's organizer.

Cost: Each satellite symposium slot may be reserved for a flat fee of \$15,000. Discounts on satellite symposia may be considered as part of an overall support package. Contact the ANPA administrative office for details: anpaoffice@gmail.com or 703-960-6500.

INDUSTRY BREAKTHROUGH RESEARCH SESSION

Stay at the forefront of medical advancements at this special Pipeline Session where ANPA members will have the opportunity to learn from and query the leading pharmaceutical, biotechnology, and neuro device companies who advance our field forward.

The Pipeline Session is designed to provide attendees with an exclusive insight into the cutting-edge developments and emerging trends in developing with industry partners specific to our field. The session will feature multiple, brief presentations from leading companies highlighting their current and future pipelines of products.

Each Industry Breakthrough presentation slot for 10 minutes may be reserved for a flat fee of \$2500.

EXCLUSIVE PARTNERSHIP OPPORTUNITIES

Please complete and return the Conference Agreement form on the following page to reserve any of the opportunities listed below. These opportunities are available on a first-come, first-served basis so supporters are encouraged to reserve their preferred selections early.

GARY J TUCKER MD LIFETIME ACHIEVEMENT AWARD

\$10,000

Support of the Gary J Tucker MD Lifetime Achievement Award in Neuropsychiatry provides for meeting registration, lodging, and travel costs for the award recipient. The supporter will be recognized as such at the time of the award presentation, throughout the Annual Meeting, on the ANPA website, and in meeting-related communications with ANPA members and meeting participants.

YOUNG INVESTIGATORS AWARD

\$10,000

Support of the ANPA Young Investigator Award supports meeting registration, lodging, and travel costs for the recipient. The supporter will be recognized as such at the time of the award presentation, throughout the Annual Meeting, on the ANPA website, and in meeting-related communications with ANPA members and meeting participants.

CLINICAL NEUROSCIENCE TRAINEE AWARD

\$10,000

Support of the ANPA Clinical Neuroscience Trainee Award supports meeting registration, lodging, and travel costs for the recipient. The supporter will be recognized as such at the time of the award presentation, throughout the Annual Meeting, on the ANPA website, and in meeting-related communications with ANPA members and meeting participants.

INTERNET ACCESS

\$10,000

Always in demand, meeting attendees will greatly appreciate wireless internet access in the conference area. The supporter will be recognized throughout the meeting on signage and in electronic communications.

POSTER SESSION RECEPTION

\$7,500

Each of the two poster sessions at the Annual Meeting and the reception during them provide excellent opportunities to support the research and clinical practice-based presentations by meeting attendees at all stages of career development - and to garner recognition as a named supporter of one of these sessions.

ANPA BAZAAR AND RECEPTION

\$7,500

The Neuropsychiatry Bazaar provides a forum for ANPA members and annual meeting participants to engage with the ANPA leadership, its committee, special interest, and task force chairs, and the editors of the Journal of Neuropsychiatry and Clinical Neurosciences. The reception during this event provides a relaxed environment in which to engage with meeting attendees and an outstanding opportunity to gain recognition as its named supporter.

HOSPITALITY SUITE

\$5,000

Supporter will host their guests throughout the Annual Meeting in a private room. Support includes your branding at the entry to the hospitality suite and acknowledgement on signage within the meeting area as well as to and at the hospitality suite.

BREAKFAST RECEPTION

\$3,500 EACH

Annual Meeting attendees will appreciate your support to start the day off right! The supporter will be recognized in all meeting materials and during the breakfast itself and in associated meeting announcements and materials.

REGISTRATION BAGS

\$3,000

In this high-profile opportunity, the supporter logo or name will be printed on the registration bags provided to every attendee.

REFRESHMENT BREAK

\$2,500 EACH

Provide an attendee refreshment break during the day. The supporter's logo and name will be featured prominently during the break and throughout the meeting.
